

Subject : Welcome to Eqis!
Content :

Dear **XXXXX XXXXXX**

Thank you for investing with Eqis, the premier separately managed account platform. We are dedicated to providing the technology that helps your advisor provide you with an exceptional, customized money management solution.

You are welcome to login to your account at:

www.eqislogin.com

A screenshot of a web form titled "Account Login". It features two input fields: "User Name:" and "Password:". Below the "Password:" field is a blue "Login" button and a blue link labeled "Forgot Password".

Your user name is "**XXXXX**" and your password is your **XXXXX**.

You are welcome to change either or both of these by clicking on the "Change Login" link in the upper right corner of your Eqis home page. Once your account has been invested, you will be able to track your investment 24/7 from this webpage.

In addition to receiving our monthly performance reports, you will also receive e-mails from our custodian, Folio Investing, Inc. Your Folio username was sent with the EQIS Welcome Email you received after your account was opened. You should have also received an email directly from Folio to set up a password for your Folio Client portal. You will be able to access the Folio Client portal for official custodian statements and tax information through the EQIS website by clicking on the "Statements and Tax Info" link available through the "Action" drop down menu in the upper right corner of your account level reporting screen.

Thank you for your business.

Welcome to Eqis!
